• SUPERIOR CUSTOMER SERVICE • FAST DELIVERY •

## 10% OFF **CARDONE**

Save 10% this month on CARDONE Power Steering!

- Power Steering Gears & Pumps
- Rack and Pinions
- Power Steering Fluid Filters

CARDONE has the most complete domestic & import coverage in the industry including passenger cars and light trucks applications.

## MAKE IT LIFETIME

Make the warranty LIFETIME when you install an Magna-Pure inline filter on ALL Cardone Power Steering Units. Up to 30% of all steering comebacks are due to contamination in the steering system fluid. Remember 3F FLUID/FLUSH/FILTER

- 1/2" = 20-0012F
- 3/8" = 20-0038F
- 5/8" = 20-0058F

## 10% OFF CHASSIS

From engineering to testing to manufacturing to support, we go the extra mile to ensure our parts live up to the MOOG & Quick Steer reputation for strength and durability.

## 10% OFF

Gates Water Pump Kits & Water Pumps save an extra 10%.

### Be System Smart

The best way to prevent costly system failure is to remember the Car Care Council's recommendation. Start inspecting the serpentine, cooling and timing systems at 60K miles, and replace worn components by 90K miles or as advised by the manufacturer.

All offers good while supply lasts or until May 31st, 2017

## EVERY SHOP SHOULD HAVE ONE!

### \$299

### Quick Chuck Adapter

Universal brake lathe adapter is a unique self centering design which makes Quick Chuck the simplest, quickest and most precision brake lathe adapter for machining Hubless Drums, Rotors and Composite Rotors on any 1" arbor brake-lathe while eliminating run-out and set-up problems. The weight and mass of the Quick Chuck with Backing Plate virtually stops Chatter and Vibration in its tracks.
